## Chapter 1 by Story Wars

This is a declaration of war. It is a declaration of war for the entire story wars community to take on the biggest tyrant (and most active writer) among us-Intellikat.

When you write in this story, know that you only have one purpose: do NOT let Intellikat win a single draft. When you vote for the chapters in this chapter, you have only one purpose: discern which draft was written by Intellikat, and do NOT vote for it.

Of course, Intellikat, if you DO get a draft in, you win. And the Story Wars community will bow down to you (or something like that).

So let the kat-hunting begin!

## Chapter 2 by intellikat

I want to bring up a (somewhat serious) question, and maybe we can discuss it here rather than in the forums.

Is intellikat a nice person or not??

But then there were some odd things about him. Like the time he wrote a bunch of bad ones that were really long with nothing in them.
